

Welcome to CORNERSTONE MINISTRIES

Building Lives & Families on Lasting Values

Welcome Friends! We are so glad to have you here with us today! It is our hope that at Cornerstone Ministries, you will find a friendly environment and experience meaningful worship and relevant messages that address the everyday concerns of life from a godly perspective. Please make yourself at home.

Jesus told us there would be days like this. Maybe not as specific as mask-wearing, quarantining, and remote schooling; but, he *did* say, "In this world you will have trouble." And that same passage in John 16:33 says that Jesus told us these things "so that we may have peace". Despite the worries of the world, and the daily realities of a global pandemic, Jesus tells us that we can have peace. Join me as we equip ourselves to be "pandemic proof" with the certainties that come from walking closely with Jesus, no matter the circumstances surrounding us.

Be Compassionate

Series: Pandemic Proof

Week: 7

February 20 & 21, 2021

I. We can't be like **JESUS** without it

³⁴When he went ashore he saw a great crowd, and he had compassion on them, because they were like sheep without a shepherd. And he began to teach them many things.

(Mark 6:34)

II. Being **CHURCH** means being compassionate

³⁴Then the King will say to those on his right, 'Come, you who are blessed by my Father inherit the kingdom prepared for you from the foundation of the world. ³⁵For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, ³⁶I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.' ³⁷Then the righteous will answer him, saying, 'Lord, when did we see you hungry and feed you, or thirsty and give you drink? ³⁸And when did we see you a stranger and welcome you, or naked and clothe you? ³⁹And when did we see you sick or in prison and visit you?' ⁴⁰And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'"

(Matthew 25:34-40)

III. Guard against a hard **HEART**

²³Guard your heart above all else, for it determines the course of your life.

(Proverbs 4:23 NLT)

WEDNESDAYS @ CORNERSTONE

WINTER 2021

Come See What Wednesday Nights Are All About at Cornerstone Ministries!

When it comes to spiritual or personal growth, we have something for everyone. In addition to Academy classes for adults, we also offer JUMP and Wednesday at the Warehouse for your kids and teens.

#1

Academy Class: **God and Politics**

*taught by Dr. Jeff Stivason,
Pastor of Grace Reformed
Presbyterian Church*

Alexander Solzhenitsyn was a victim of Soviet totalitarianism. He spent years in the Russian gulag before he was ejected from his country. When he was asked why things in Russia were as they were, his response was simple, "Men have forgotten God." He believed the core crisis that created and sustained communism was not political but spiritual. The core of the crisis in our own nation is not political but spiritual. And yet, the Bible speaks to us about the political realm. This class will look at a variety of passages as we think through what God has to say about politics.

#2

Academy Class: **BREATHE**

*taught by Jessica Patterson
of Women's Choice Network*

BREATHE is a **six-week** post-abortive healing and recovery small group.

February 24 – March 31

Participants will be kept confidential and class will meet in confidential location.

BREATHE Class continued...

BREATHE after-abortion care participants can expect a warm and confidential environment among others who care and understand. Using the book, *Where Do Broken Hearts Go?*, group members will be encouraged to examine the past and understand how abortion has affected their lives. In addition, attendees will be given the support needed to explore difficult emotions, and together, we will find the courage to more fully embrace the healing and transformative hope of Christ.

Our instructor, Jessica Patterson, understands firsthand the importance of after-abortion healing. For over a decade, she struggled with bitter justification of her own abortion at 22 years old. When confronted with the invitation to attend an abortion healing group, although intrigued, she admits she wrestled with fear of judgment. After agreeing to attend, she quickly came to a new understanding that her past did not define her and that God not only had forgiven her, but desired to heal and transform her.
