-

Frequently Asked Questions

Is El Salvador a safe place to go on a mission trip?

In an effort to understand the safety concerns, culture, and the mission organization we are partnering with called, “*Christ For the City International*” (CFCI) in El Salvador, Pastor JD and a team visited the country on a scouting trip before our first mission trip. At no time during their visit, nor during the mission trip with the students did anyone feel unsafe. CFCI is a well-recognized and respected organization in the country and has a strong reputation for bringing effective ministries that help the communities they impact. While gang activity is present in the country, violence is almost always “*gang vs. gang*”. In addition, our housing location is in a safe area and is gated, and we will have multiple CFCI staff with us at all times on the mission field.

Who is the mission organization Cornerstone Student Ministries is partnering with in El Salvador and what are they about?

The organization is called “*Christ For the City International*” (CFCI), which has over 20 years of experience in providing churches, teams and individuals with the greatest of all adventures; customized Mission Trips and Child Sponsorship opportunities that transform lives and cities for the Glory of God. The headquarters of CFCI is located in Omaha, Nebraska and now has bases and ministries in over 15 countries (*including El Salvador*) with over 500 staff; bringing the transforming love of Jesus Christ through a huge variety of ministries. They provide a wide variety of experiences and opportunities to explore each participant’s potential calling.

Do we personally know the missionaries in El Salvador?

Yes! Jake Hjemvick, his wife Becky, and their kids, who are originally from the Pittsburgh area (*Becky’s parents are members of Cornerstone*), are the base directors of CFCI El Salvador. They have a wonderful young family and have devoted their lives to God’s work in El Salvador. In an effort to positively influence the communities they serve for Jesus, Jake and his team lead daily youth soccer programs, English as a Second Language classes, food and clothing programs and host short term mission teams to minister to people in these impoverished areas.

Will there be any meetings prior to the mission trip or after we return?

Yes! We will have several team meetings leading up to the trip to prepare the team for our time in El Salvador, as well as a team fundraiser. These meetings are **REQUIRED** for participants to attend. Please review the “*Team Dates*” section for dates. There, will also be a team celebration party once we return from El Salvador, which is not required, but students are strongly encouraged to attend.

Can students bring their cell phone?

Yes, although international rates apply. We cannot be responsible for any lost, stolen, broken, or damaged electronic personal equipment.

Is there financial aid available for the Mission Trip?

No. Unlike other student ministry camps, retreats, and events where scholarship funds are typically available, students are responsible to raise support to cover the entire \$1,300 cost of their trip. In an effort to help students raise support, we will provide a team fundraising opportunity. Ultimately, the cost of the trip is the sole responsibility of the student and their family.

Frequently Asked Questions

Will the students need extra spending money?

Yes, students will need money for any food, snacks, drinks, etc. during travel times to and from El Salvador. Students are also welcome to bring money for souvenirs while in San Salvador. We suggest no more than \$200 cash. We suggest \$50 minimum. We cannot be responsible for any lost or stolen cash/valuables.

What type of currency is used in El Salvador?

Conveniently, the American dollar is used in El Salvador, so students will not need to convert their spending money into a different currency.

What is the payment schedule?

The total mission trip cost is \$1,300. The payment schedule is as follows:

Sunday, March 3	Payment #1: \$200 Down Payment
Sunday, April 14	Payment #2: \$550
Sunday, May 19	Payment #3: \$550

**All payments are non-refundable*

Do you have any suggestions on healthy ways to prepare for the trip?

Yes. We recommend you start a regimen of Source Naturals Wellness formula 2 weeks prior to departure. Also, take a probiotic and continue taking these during the trip.

Where do the students sleep?

All students will be grouped by gender in a mission guesthouse. The guesthouse is very clean and there are multiple showers on-site. The entire housing complex is gated and secure.

Do I need to bring a sleeping bag and/or pillow?

No, all bedding is provided.

What is the student to leader ratio?

We anticipate the ratio will be approximately 6:1 plus the on-site staff missionaries.

How will the students be supervised?

All staff and volunteer adults leading the mission trip have been trained by our Student Ministry Staff, and have been through background screening.

What if a student has food allergies or dietary restrictions?

If a student has dietary needs such as gluten intolerance, allergies to dyes, or is vegan, CFCI will do their best to accommodate. Please write out any dietary requests and give them to Pastor JD as early as possible before departure, and he will communicate those requests to CFCI.

What if I have medications I need to bring?

Please bring all medications in their original container. Any medication not in its original container could possibly be confiscated at customs.

Frequently Asked Questions

Do I need any additional vaccines?

No, only your routine vaccines are recommended although you are welcome and encouraged to visit www.cdc.gov to gather any additional information to help equip you to make an informed decision.

Do I need to bring a passport?

Yes - you must have a passport to enter another country! Your passport *must be valid 6 months after the trip*. Passports currently cost \$115 to purchase. You can apply for a new passport, or renew your existing passport www.passportusa.org. Every participant MUST bring their passport to The Warehouse as soon as they have possession – CFCI requires a copy prior to the mission trip. Again on Sunday, June 30 everyone MUST bring their passports to our meeting to be collected. Pastor JD will maintain possession of all passports throughout the trip except while students are passing through customs and security.

What airline and flight # will the mission team be flying?

Pittsburgh to El Salvador: Leg #1: United Airlines #3630 (Pittsburgh to Houston). Leg #2: United Airlines #1461 (Houston to San Salvador, El Salvador). **El Salvador to Pittsburgh:** Leg #1: United Airlines #1228 (San Salvador to New Jersey) Leg #2: United Airlines #3425 (New Jersey to Pittsburgh). *See ***Flight Times and Layovers*** section for more details.

How many pieces of luggage can/should I bring on the mission trip?

3 total pieces. 1 personal item (backpack) with any personal medications, 1 carry-on suitcase (for personal clothing/items), and 1 checked bag (less than 50 lbs.) half the space for your personal clothing/items and mission supplies/donations.

Will the mission team be taking donations to El Salvador to give away?

Yes! A full “Wish List” is included in this packet. Half of each student’s large checked suitcase will be used to carry donations to El Salvador. Based on our experience, the best donations would be soccer cleats, soccer balls (deflated), toiletries, and tooth paste. Space for donations is limited.

On the last day of the mission trip: Sunday, July 14, where should parents pick up their child?

Parents should meet at the Pittsburgh International Airport at *1000 Airport Blvd., Pittsburgh, PA 15231*. Please park in the short-term parking lot and enter through the United Airlines arrival doors to meet our team at baggage claim.
