TEACHING THEME: "YOUR INTEGRITY, OUR WORLD"

The reason the Fern Hollow Bridge in Pittsburgh collapsed is because it lacked something – structural **integrity**. The same is true in **our lives**. When we lack integrity, our lives collapse and people get hurt. That's why your integrity needs to hold up...even when it costs you something.

The problem is sometimes we're willing to **be** bad...to keep from **looking** bad. When we're more concerned about our reputations than our integrity, we eventually damage both. And here's the trap...the more we compromise our integrity, the easier it is to do it again and again. Before we know it, it becomes a destructive pattern.

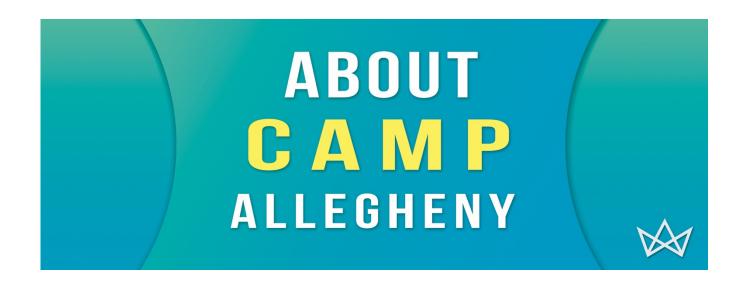

But there's a way to prevent our integrity from eroding, and a way to rebuild it if we've compromised in the past. The key to living a life of uncompromising integrity from a Biblical perspective is our focus for **Vertical Camp 2022**.

ABOUT TRANSPORTATION:

How will my student get to camp?

Parents/Guardians should drop students off on Sunday, July 31ST between 4:30 - 5:15 pm at Camp Allegheny, which is located at 100 Camp Allegheny Drive, Stoystown, PA 15563. Students will also need to be picked up from Camp Allegheny on Friday, August 5TH between 11:15 - 11:45 am. If your child(ren) has any medications, those medicines should be dropped off and picked up at the medication station with our camp nurse.

Can my student drive themselves to/from camp?

Students will not be permitted to drive themselves to/from camp.

Can my student carpool with another family?

Yes. Families are encouraged to carpool if needed. If transportation is an issue, please reach out to us.

ABOUT ROOMING:

When will middle and high school students be together & separated during camp?

Our large group sessions will be combined with small group breakout times separated by grade and gender. Depending on the number of students, multiple grades may be in the same cabin, but will always be separated by gender.

Where do the students sleep?

Students will be housed by gender in dormitory-style cabins with at least two adult leaders of the same gender in the cabin. Students will be assigned a room with other students in their same grade (or grades that are close to theirs). Each student will be given a comfortable bed, but please note that bedding is *not* provided. Therefore, students should bring their own sleeping bag (or bedding that fits a college mattress size bed). Please see the "packing list" section for more details.

What is the student-to-leader ratio?

We anticipate the ratio will be approximately 6:1.

How will the students be supervised?

Students are supervised in their cabins by adults who serve as cabin leaders. All leaders have been trained by our Student Ministry Staff, and have been through background screening.

Overall, students will have plenty of watchful eyes all over the camp areas throughout the week!

ABOUT MEDICATION:

Will there be a nurse, and will the nurse handle medicine that my child needs?

Yes, there will be a nurse on-call with us at Camp Allegheny who will be available 24/7 to any student that has a need. The contact information of the camp nurse will be sent in an email with other important information prior to Vertical Camp. Also, the nurse will hold and distribute all medication that students need throughout the week. At student check-in on Sunday, parents/guardians should deliver medicine to the medication station with the nurse. Parents/guardians should also claim medications at the medication station when picking up their student(s). Please list all medicines, dosage, and frequencies as prompted during the online registration process.

ABOUT MONEY & FOOD:

Will the students need extra spending money?

The only instance when students would need to bring additional money is for the Camp Allegheny store, where students can purchase camp merchandise and snacks. Students should bring no more than \$50 cash. If a student is interested in horseback riding at Vertical Camp they should bring a check made out to "Camp Allegheny" and the "Horse Rental Agreement and Liability Release Form" signed by a parent. This form will be emailed to you following registration.

What if my student has food allergies or dietary restrictions?

Camp Allegheny is able to accommodate a variety of special dietary needs; and has vegetarian options, options for the lactose intolerant, and a limited number of gluten-free meals. If your child has dietary needs such as gluten intolerance, allergies to dyes, or is vegan, we ask that you name those special dietary needs in the allergy section during the registration process. If you would like to further clarify specific dietary/allergy-related food concerns, please e-mail us at studentinfo@cornerstonelive.net by Sunday, July 10th, 2022.

Is my student allowed to bring food/snacks?

Yes! Students are welcome to bring snacks, but please remember no snacks with nuts because of the potential of food allergies of other campers. However, please know students will be well fed with breakfast, lunch, dinner, and a late-night snack. Please make sure they eat lunch before they come Sunday afternoon!

ABOUT BAPTISMS:

Will there be a baptism service at camp?

Yes! We will hold our 6th annual baptism service at Camp Allegheny on Thursday, August 4TH at 6:30 pm.

Who can get baptized at camp?

Any student in 6–12 grade who has (1) accepted Jesus as their personal savior, (2) participates in the baptism class (*scheduled for Sunday, July 10*TH during 9 & 11 am services at The Warehouse), (3) has their parents' permission/signature in the registration form, and (4) has not been baptized since entering 6th grade is welcome to participate.

Are parents, family members, and friends invited to the baptism service at camp?

Absolutely! We would love for any family and friends who would like to support the students being baptized at Vertical Camp to join us at Camp Allegheny on Thursday, August 4TH at 6:30 pm.

What steps should I take if my son/daughter would like to be baptized at camp?

First, have a conversation with your son/daughter to find out if getting baptized is something they are ready to do as a profession of faith in Jesus. Second, during the registration process, click "yes" under the baptism section and provide a parent's signature giving your permission. Last, students must participate in the baptism class at The Warehouse on Sunday, July 10TH, during either the 9 or 11 am service.

What if my son/daughter decides at camp they would like to be baptized?

If a student decides they would like to be baptized at camp, we will ask them a few questions to ensure they understand the purpose/meaning of baptism, and have a personal relationship with Jesus. Then, we will contact home to receive permission from a parent. If we receive permission, students will then go through a baptism class at camp. Finally, they can be baptized on Thursday night!

ABOUT FINANCIAL ASSISTANCE:

Is there financial aid available for Vertical Camp?

Yes. We never want finances to be the barrier for a student to go to one of our events, camps, or retreats. If financial aid is needed, simply call us at 724.733.0070 Ext. 223 and together we will figure out a way to get the student on the trip. Please note that we generally do not offer full scholarships. Remember, the best way to bring the price down is to use the "*Bring a Friend Discount*," where a Cornerstone student brings a friend in 6- 12th grade who has not checked in at any Warehouse event since July 2021, where both can go to Vertical Camp for \$254 a piece! That is \$85 off per student!

Is there a discount if more than 1 sibling is attending Vertical Camp?

Yes! If your family has more than 1 sibling attending Vertical Camp (or if you have one child attending Vertical Camp and another attending our C-Kids Camp), your family is eligible for our "Sibling Discount". The child(ren) attending Vertical Camp will each receive a \$50 discount! During the registration, you can identify you have multiple siblings attending camp, and will receive the discount.

Is it true that there is a discount if a Cornerstone student brings a non-Cornerstone friend? Yes, completely true! If the Cornerstone student invites a friend who has not checked-in at The Warehouse since July 2021, both students can register for \$254! Please note that only one Cornerstone student can claim a non-Cornerstone invitee.

What if a non-Cornerstone student signs-up for Vertical Camp without an invite?

Any student in 6-12th grade who has not checked-in at any Warehouse event since July 2021 and signs-up for the Vertical Camp will receive the discounted price of \$254.

Can a student apply for more than one discount?

Unfortunately, no. Each student is only eligible to apply for one discount.

However, if you are using the sibling discount, but one of the siblings brings a non-Cornerstone friend, then one of your children may use the sibling discount, while the child bringing a friend can use the "Bring a Friend Discount".
